MEMORANDUM FOR THE DIRECTOR

SUBJECT: CCPC Study on Narcotics

1. Attached for your signature is a proposed memorandum for USIB principals drawing to their attention the intelligence community's role with regard to intelligence on narcotics and dangerous drugs and assigning to the CCPC a study on this subject.

2. Jim Ludlum proposed that the CCPC undertake such a study in support of community efforts on this problem and this proposal was endorsed by the DDP and concurred in by General Taylor. I understand that it has also been cleared informally with Mr. Egil Krogh, Jr., Executive Director, Cabinet Committee on International Narcotics Control.

3. I recommend that you sign the attachment, and that you inform the PFIAB during your briefing on February 4 that you have initiated this action.
